We are grateful for our relationship with you and thank you for your support!

**Maine Needs** is a grassroots nonprofit, powered by a growing collective of volunteers. They strive to help individuals and families in Maine meet their basic, material needs by providing donated clothing, hygiene products, household items, and other necessities.

With a focus on those starting life over from scratch, Maine Needs assists domestic abuse survivors, asylum seekers and those facing financial hardships. They partner with schools, caseworkers, nurses and nonprofits.
